

2023

Fluorescent Bulb Recycling Program

East Central Energy makes bulb recycling easy.

Here's how it works

Free recycling of compact fluorescent lamps (CFLs) with coupon.

Simply bring your used CFL and FREE recycling coupon to a participating retailer. (See back for list.)

Save 50 cents off the recycling fee for qualifying non-CFL lamps.*

Bring your used lamp and a 50 CENTS OFF coupon to a participating retailer.

**Circular fluorescent tubes, U-bend fluorescent tubes, high-intensity discharge lamps, fluorescent tubes up to eight feet in length.*

While fluorescent lamps are environmentally preferred over incandescents, they do contain a small amount of mercury and if improperly disposed of can be harmful to the environment. It is illegal to place them in the trash.

East Central Energy partners with Mercury Technologies of Minnesota, Inc., located in Pine City, and area retailers to provide a recycling program for fluorescent lamps.
