Rebates are available for the purchase of new ENERGY STAR rated appliances. Rebate submittal must follow the guidelines as outlined by ECE. ECE is not responsible for inaccurate information supplied by appliance dealers. Rebates will be issued only for products on the current list of ENERGY STAR rated products as of the purchase date. ENERGY STAR occasionally removes products from qualifying lists, and ECE will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR. To verify ENERGY STAR certification for appliances, visit [energystar.gov](http://energystar.gov) or call 1-888-STAR-YES. Rebate program is subject to change or cancellation without notice. Call ECE to verify rebate program status and availability of rebates.
