Rebates are available for the purchase of new ENERGY STAR or DLC rated fixtures. Rebate submittal must follow the guidelines as outlined by ECE. ECE is not responsible for inaccurate information supplied by fixture manufacturer. Rebates will be issued only for products on the current list of ENERGY STAR rated products as of the purchase date. ENERGY STAR occasionally removes products from qualifying lists, and ECE will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR. To verify ENERGY STAR certification for appliances and lighting, visit [energystar.gov](http://energystar.gov) or call 1-888-STAR-YES. Rebate program is subject to change or cancellation without notice. Call ECE to verify rebate program status and availability of rebates.

#### IMPORTANT:

- The fixture(s) must be direct wired and installed within ECE's service area.
- Fixture must be ENERGY STAR or Design Lights Consortium rated, 50 watts or greater.
- Fixture must be mounted on pole or arm. Building mounted fixtures do not qualify.
- Motion sensor and solar powered fixtures do not qualify.
- Rebate program is subject to change or cancellation without notice. Contact ECE to verify rebate program status.
- Submit completed rebate form and a copy of original sales receipt within 90 days of purchase date.
- Allow 6-8 weeks for processing.
- Rebate will be issued as a credit on your ECE account, if under \$1,000.
- Limit three rebates per member account annually.
