For ENERGY STAR products, rebates are only available for new ENERGY STAR rated products purchased between January 1 – December 31, 2022. Supported documents must be submitted by December 31, 2022. The products must be installed where electricity is supplied by ECE. Rebate submittal must follow the guidelines as outlined by ECE. ECE is not responsible for inaccurate information supplied by appliance/product dealers. Rebates will be issued only for products on the current list of ENERGY STAR rated products as of the purchase date. ENERGY STAR occasionally removes products from qualifying lists, and ECE will not rebate products that have been unlisted as of the purchase date or are mislabeled as ENERGY STAR. To verify ENERGY STAR certification for appliances, visit energystar.gov or call 1-888-STAR-YES. Rebate program is subject to change or cancellation without notice. To verify rebate program status call ECE at 1.800.254.7944.
